Client understands and agrees that GMI may, but is not required to, review any action or inaction by a Money Manager with respect to an account and is not responsible for determining whether a Money Manager's action or inaction satisfies the standard of care applicable to such Money Manager's handling of the account. Client further understands and agrees that GMI is not responsible for determining the validity of a person's or entity's status or capacity to serve as a Money Manager. Client agrees to hold GMI and its officers, directors, employees, agents and affiliates harmless from any liability, claim, or expense, including attorneys' fees and disbursements, as incurred, for the actions or non-actions of Client's Money Manager.

29. AMENDMENT. The Client hereby agrees that GMI may amend this Agreement by the Written Notice including but not limited to sending an email regarding the amendment of this Agreement to the Client or by publishing the amended Agreement on the official Company's website whenever necessary. And the Client shall be deemed to be bound by the terms of such amendment under this Agreement after GMI has sent the Written Notice of such amendment on the terms of this Agreement to the Client or has published the amended Agreement on its official website. Any amended agreement will supersede any previous agreement between GMI on the same subject matter and will govern any Transaction entered into after, or outstanding on, the date the new edition comes into effect.

30. SEVERABILITY. This Agreement, any attachments hereto, and the terms and conditions contained in statements and confirmations, contain the entire agreement between the parties with respect to the subject matter hereof. If any provision or condition of this Agreement shall be held to be invalid or unenforceable by any court, or regulatory or self-regulating agency or body, such provision shall be deemed modified, or, if necessary, rescinded in order to comply with the relevant court, or regulatory or self-regulatory agency or body. The validity of the remaining provisions and conditions shall not be affected thereby, and this Agreement shall be carried out as if such invalid or unenforceable provision or condition was not contained herein.

31. **BINDING EFFECT.** This Agreement shall be continuous and shall cover, individually and collectively, all accounts of Client at any time opened or reopened with GMI irrespective of any change or changes at any time in the personnel of GMI or its successors, assigns, or affiliates. This Agreement including all authorizations, shall inure to the benefit of GMI and its successors and assigns, whether by merger, consolidation or otherwise, and shall be binding upon Client and/or the estate, executor, trustees, administrators, legal representatives, successors and assigns of Client. Client hereby ratifies all transactions with GMI effected prior to the date of this Agreement and agrees that the rights and obligations of Client in respect thereto shall be governed by the terms of this Agreement.
32. **TERMINATION.** This Agreement shall continue in effect until termination, and may be terminated by Client at any time when Client has no open position(s) and no liabilities held by or owed to GMI upon the actual receipt by GMI of written notice of termination via e-mail, or at any time whatsoever by GMI upon the transmittal of written notice of termination to Client; provided, that such termination shall not relieve either party of any obligations set out in this Agreement nor shall it relieve Client of any obligations arising out of prior transactions entered into in connection with this Agreement. Any suspension or termination of this Agreement will not affect any obligation that may already have been incurred by either party in respect of any outstanding Transaction or any legal rights or obligations that may already have arisen under this Agreement or any Transactions made thereunder. Upon termination of this Agreement, Client will pay to GMI any fees or commissions due and, after satisfaction of any such outstanding sums, GMI will close Client's account.
33. **INDEMNIFICATION.** Client agrees to indemnify and hold GMI, its affiliates, employees, agents, successors and assigns harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred by GMI arising out of Client's failure to fully and timely perform Client's responsibilities herein or should any of the representations and warranties fail to be true and correct. Client also agrees to pay promptly to GMI all damages, costs and expenses, including attorney's fees, incurred by GMI in the enforcement of any of the provisions of this Agreement and any other agreements between GMI and Client. Client also agrees that he/she will not hold GMI liable for any losses, liabilities, judgements, suits, actions, proceedings, claims, damages and/or costs suffered by Client resulting from or arising out of any act or omission by any person obtaining access to Client's account by using Client's

designated account number and/or password and/or Security Details, whether Client authorized such access.

GMI shall not be liable for any default, omissions, errors or mistakes by any third party or Associated Company other than as a result of GMI own negligence, fraud or willful default in relation to the appointment of that third party.

Certain information in relation to GMI Services is provided by third parties and Company is not liable for any inaccuracy, errors or omissions in the information they provide GMI except where such inaccuracy, error or omission is caused by Company's own negligence, fraud or willful default in relation to the appointment of that third party.

Without prejudice to any other Terms of this Agreement, GMI will have no liability to Client in relation to any loss, costs or expenses that Client suffers as a result of: (a) any delay or defect in or failure of the whole or any part of GMI Electronic Trading Services' software or any systems or network links or any other means of communication; or (b) any computer viruses, worms, software bombs or similar items introduced into Client's computer hardware or software via GMI Electronic Trading Services, except where such loss, cost or expense is a result of GMI own negligence, fraud or willful default.

34. **CROSS TRADE CONSENT.** The undersigned hereby acknowledges and agrees that GMI may act as the counterparty to Client for any trade entered for the undersigned's account. The undersigned hereby consents to any such transaction, subject to the limitations and conditions, if any, contained in the Rules or Regulations of any bank, institution, exchange or board of trade upon which such buy or sell orders are

37. JURISDICTION, VENUE, WAIVER OF JURY TRIAL AND SHORTENING OF LIMITATIONS PERIOD. Client agrees that any civil action or other legal proceedings between GMI or its employees or agents, on one hand, and Client on the other hand, arising out of or relating to this Agreement or Client’s account shall be brought, heard and resolved only by a legal entity located in the countries of GMI registration and Client hereby waives trial by jury in any such action or proceeding and waives the right to have such proceeding transferred to any other location. Addendum to the Client Agreement

COPY TRADING

This Addendum to the Client Agreement ('Addendum') is entered by and between Global Market Index LLC (established in Saint Vincent and the Grenadines under Reg. № 2763 LLC 2022 with registered address at Euro House, Richmond Hill Road, Kingstown, St. Vincent and the Grenadines), and/or GMI Global Market Index Limited (established in Saint Lucia under Reg. № 2023-00239 with registered address at Ground Floor, The Sotheby Building, Rodney Village, Rodney Bay, Gros-Islet, Saint Lucia), their successors and assigns (hereinafter referred to as "Company" or "GMI") on the one part,
and you, as the other party (or parties) executing this document, on the other part.

This Addendum sets out the specific terms that will apply to you when using the Copy trading service. The terms of this Addendum are integral part of the Client Agreement.

1. GMI offers a copy trading service which allows you to copy trades of GMI traders that have agreed to be copied ("Masters"). You can choose to copy the orders in an account of a single or multiple Masters by opening a Follower account. GMI may, at

any time, and in its sole discretion, deny you the option to open a Follower account or limit the number of Masters to be followed. Follower and Master accounts are Copy Trading sub-accounts.

2. GMI provides you with the ability to interact, follow and copy other traders, by providing you with the information on Masters. The information includes Masters' methods, rating, fee, results of activity, recommendation on the amount the follower may add to their account, etc. that may be useful to you when deciding whether to copy such Master. By agreeing to be copied by GMI traders, Masters hereby agree the above information as well as their initials and avatars will be displayed and shared with GMI traders.

3. The copy trading service may result in trades in a number of financial instruments. Each trade opened on your behalf as part of the copy trading service will usually be classified under the same asset class as classified in the copied account.

4. Masters have a right to display a recommendation on the amount you may add to your account to get the best results out of the Masters' strategy when you follow them. This recommendation does not constitute an investment advice and provided by Masters solely for informational purposes. You must make your own decision regarding the amount.

5. Our copy trading service may amount to a form of discretionary investment management. This means that, before you can engage in copy trading, you need to assess whether copy trading is a suitable investment tool for you.

6. Limitations to our copy trading service

6.1 We do not provide personalised investment recommendations, investment advice, tax related advice or other financial related advice of any kind. Any explanation or information which we give to you as part of a copy trading, or about the performance of the copy trade is not intended to be, and should not be considered as advice. This information is provided by us solely for informational purposes.

6.2 You should use any information gathered from our website or platform as a starting point for your own independent research and investment decision making. However, you should not make investment decisions based on information provided on the GMI website and platform.

6.3 We will take reasonable steps to monitor the performance of any Master under the copy trading service. We reserve the right to pause, stop, or block any Master from being copied under the copy trading service.

7. The key risks of copy trading

7.1 In making a decision to copy a specific trader or traders, methods and/or portfolio, you should consider your financial situation, including your financial commitments. You should understand that copy trading is highly speculative and that you could sustain significant losses exceeding the amount used to copy a trader or traders as a result of the following:

- (a) it will involve automated trading execution whereby trades are opened and closed in your account without your manual intervention;
- (b) if you manually modify or close an order generated by the copy trading service, you may achieve a materially different result than the Master that you copied;
- (c) copied trades in amounts lower than the minimum trade will not be opened;
- (d) cash-out and withdrawals by the Master when you are using the copy trading service may also generate a materially different result than the Master's that you copied as it may affect the copy trading proportions. This is due to a number of different factors including starting account balance, minimum trade size, the Follower's account settings, differences in spread, interest and investment price at time of investment, and also the difference in fees that may be incurred;
- (f) following/copying the trading decisions of inexperienced and/or unprofessional traders;
- (g) following/copying traders whose ultimate purpose or intention, or financial status may differ from yours;
- (h) trading may generate a materially different result than the Master's that you copied considering differences in spread and other conditions.

7.2 We are unable to provide any guarantee as to the performance of any particular investment, account or methods.

7.3 Performance, statistics, rating and any other information with respect to GMI traders under our copy trading service are not reliable indicators of future performance. We do not represent or guarantee that you will achieve profits or losses similar to those shown on the Master that you are copying.

8. Placing an order

8.1 Before you enter into the copy trade, you will need to allocate the amount of money you would like to put towards that copy trade. Such amount shall be allocated in transactions at the same proportion as it is allocated in the copied account. We will then automatically execute that order for you, which means we will not obtain your confirmation before we do this. The opening of such transactions shall not require any prior consultation, consent or approval. This will be done on a pro rata basis with the same products and the same trading instructions (unless such action would be in contravention of Applicable Law). For example, we may start copy trading, stop copy trading and/or pause the copying of Master and set limits to any position etc.

8.2 There are a number of order restrictions when copy trading, including on the minimum and maximum amount that can be invested in any GMI trader that you copy, the minimum amount on any single copy trade, and the maximum number of traders that you can copy.

8.3 When you are using our copy trading service, you can copy only new trades which are opened after you begin to copy the Master's account. This means that we will not copy any trades in the trader's account which were entered into before this point.

8.4 When you are copying trades: (a) we will open your positions at the same time as the trades being copied; and (b) all instructions and actions related to the copied trade will automatically be replicated in your GMI account (subject to the trade size as explained above), including stop losses, take profits and the closing of trades.

For example, if Masters that you are copying extend their stop loss by adding more funds to their account then your stop loss will be adjusted automatically to reflect this. However, your position amount will remain the same as its initial amount.

8.5 The copy trading service has a number of other functionalities that we may make available to you from time to time. However, we may add, remove, or change the availability and features of these functionalities, at our discretion. This may impact how you can use the copy trading service, for example whether you can copy all trades or only new trades of a trader.

9. Fees and costs

9.1 Masters have the right to stipulate and charge the GMI traders with the fees, which may be amended at any time by Master's sole discretion. Masters hereby acknowledge that it is their sole responsibility to determine whether, and to what

extent, any taxes apply to any transactions they conduct through our Services, and to withhold, collect, report and remit the correct amounts of taxes to the appropriate tax authorities.

9.2 When you place a copy trade, you agree to be charged by the fees of the Master you have chosen for copying.

9.3 Accounts with zero balance are not eligible to follow Masters and are automatically detached after a grace period of 48 hours. To avoid detachment, ensure that your account balance is above zero before the end of the grace period.

10. Liability

Subject to Applicable Law, neither GMI nor any affiliates or associate third parties will be liable for any losses arising from: (a) actions taken by us in order to carry out your written or spoken instructions; (b) decisions or actions taken by Master that you have chosen to copy; and/or (c) specific investment decisions or actions taken or omitted in good faith by any copied account methods.

The Company is committed to ensure continuity of the Services. However, The Company assumes no responsibility for any error, omission, deletion, interruption, delay, defect, in operation or transmission, communications line failure, theft or destruction or unauthorized access or alteration of the site or Services. The Company declines the responsibility for any problems or technical malfunction of any networks or lines, computer online systems, servers or providers, hardware or software, or any technical failure because of technical problems or traffic congestion on the Internet, the site or any Services. To the extent permitted by applicable law, in no event shall we be liable for any loss or damage arising from use of the site or Services for any content posted on or through the site or Services, or the conduct of all users of the site or Services.

Addendum 2 to the Client Agreement

Terms and Conditions for Using One-Click Trading Function

This Addendum to the Client Agreement is entered by and between Global Market Index LLC (established in Saint Vincent and the Grenadines under Reg. № 2763 LLC 2022 with registered address at Euro House, Richmond Hill Road, Kingstown, St. Vincent and the Grenadines), and/or GMI Global Market Index Limited (established in Saint Lucia under Reg. № 2023-00239 with registered address at Ground Floor, The Sotheby Building, Rodney Village, Rodney Bay, Gros-Islet, Saint Lucia), their successors and assigns (hereinafter referred to as “Company” or “GMI”)

on the one part,
and you, as the other party (or parties) executing this document, on the other part.

This Addendum sets out the specific terms that will apply to you when enabling One-Click Trading mode. The terms of this Addendum are integral part of the Client Agreement.

The One Click Trading mode for order submission ("One-click trading") is a one-step process. Using the One Click Trading mode, your order will be submitted when you single-click either bid (SELL) or ask (BUY) rate buttons. It is important to note that you will not have a chance to cancel the order and you will not be able to change your order once you have selected your buy or sell price. A market order will be promptly filled after submission and you will have entered into a binding transaction. Please take care when using one-click trading feature, as there is an increased possibility that you could unintentionally submit an order.

By enabling One-Click Trading Function, you agree to accept all risks associated with the use of the order submission mode you have chosen, including, without limitation, the risk of errors, omissions or mistakes made in submitting any order. You agree that you will not hold GMI liable for any losses, damages and/or costs suffered by you arising out of any act associated with the use of the order submission mode you have chosen.

You can activate or deactivate One Click Trading mode.

Execution Slippage

Slippage refers to all situations in which Client receives a different trade execution price than intended. Slippage occurs when the bid/ask spread changes between the time the order is requested and the time Client executes the order. When the order is sent for execution, the specific price requested by the Client may not be available. In this case, the order will be executed close to the Client's requested price. Slippage happens during high periods of volatility, such as during breaking news or economic data releases. Client should know that 'slippage' is a normal market practice and Company is not responsible for it in any way. The Company assumes no responsibility for slippage occurred because of any problems or technical malfunction of any networks or lines, computer online systems, servers or providers, hardware or software, or any technical failure because of technical problems or traffic congestion on the Internet or the website.
